## History

Ryoko was born 30日 4月 44 in [YSS Wakaba](#). Ryoko and her twin sister Hotaru were born under quite extraordinary circumstances. Their parents were aboard the YSS Wakaba when it went missing. Through some space anomaly, the ship had been transported many sectors away from their homeland. After several months of fighting just to survive, and help supplement their rapidly dwindling crew, the crew were given special permission to increase their numbers naturally.

But for Ryoko and Hotaru's parents were a bit different. Their father was the Captain and their mother was the senior Joto Heisho and leader of the famous Angels of Death. Although their 'childhood' was quite short, they were very much loved by both their parents.

Ryoko is the older of the two, by a full five minuets. She is also bigger than her sister in both size and personality, favoring her father more than her mother. She is very Nepleslian for a Neko. during her birth, the Wakaba sighted a strange creature, an aether Dragon. Her father had grown up hearing tall tails about them from his great grandfather but had never seen or heard of one before then. Her mother took it as a sign and named her after the dragon. Much like her name, Ryoko has a short temper and fiery personality has gotten her in trouble in her short life.

Ryoko is a trained tech and a specialized armorer, favoring weapons and Power Armor. Although even more than that she loves combat and is the first to volunteer for away missions.

## Skills Learned

Ryoko possesses all the basic skills of a trained neko. Although they are far from basic in the fighting area. Having a mother who has been trained by Rangers, Giretsu and even samurai and who passed those skills on to her daughter has given her advanced skills in combat.

She also contains technician skills and the ability to repair basic and complex engines, weapons, Power Armor and cybernetics.

Ryoko is connected to:

Others: Canterbury Clan

## Inventory & Finance

Ryoko has the following:

Twin knives, Twin Revolvers, Katana

Ryoko currently has 3000 KS.

## OOO Information

This page was created by cowboy on 06, 09 2023 at 16:59 using the [Character Template Form](#).

This is probably my first character I've made that didn't have a major inspiration for. The hairstyle idea I got from watching my daughter's favorite TV show, Spidey and his amazing friends. I don't know why but I really liked doc ocks hair style in the show.
