### Dislikes

unknown, and is unlikely to even exist

### Goals

to assist Henry to the best of her abilities

## History

### Summarized Events

#### Pre-RP History

[PNUgen Corporation](#) occasionally awards students under its care (who has shown exceptional talent) NH-17R [Nekovalkyrja](#) as personal assistants (as opposed to the more commonly available NH-12A and NH-12R models). Shina was created and given to [Henry Chen](#) in YE 22, and has served as his assistant, secretary, sidekick, maid, friend and confidante ever since.

#### Emotional Crisis

Shina's ambiguous relationship with Henry was severely strained when Henry resigned his commission with the Star Army.

## Current Status

Shina currently works as a Science Officer in the Third Expeditionary Fleet.

## Skills

### Humanities

Shina has developed strong diplomatic skills in her efforts to serve Henry, as diplomacy could be considered Henry's weak point. She also has a good understanding of both human and Nekovalkyrja psychology.

### Domestic

Shina usually finds herself cleaning up after Henry. She is proficient in doing domestic chores such as room cleaning, laundry, and has even acquired some cooking skills.

### Communication

Shina is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. She is fluent in English and Japanese. She can speak and write both

correctly and efficiently and can write reports, fill forms, issue orders under fire, etc.

## Fighting and Physical

Shina received hand-to-hand combat training by way of loading all the necessary related knowledge into the soldier's memory, and then following up with a rigorous training program. She is skilled and experienced in combat both in Yamatai-like conditions and in zero gravity, with and without weapons. Weapons she is trained in include energy pistols, knives, and power armor.

## Information Technology

Shina is proficient in the use of the typical sensors aboard Yamataian military ships. She is capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships. She is proficient in entering and/or searching for information.

## Mathematics

Due to her field of work, Shina has an advanced understanding of mathematics. She has studied multivariable calculus, differential geometry, number theory, and cryptography.

## Medical

Shina is trained in administering first aid.
