## Physical Description

- Height: 4'2"
- Weight: 139 Lbs.
- Measurements: 23C-21-45
- Tail Style: Bushy
- Ear Style: Fennec

Designed to be aesthetically *familiar* to Daur and Laibe, it almost goes without saying that Kozakura’s true nature is far from those from species. A KAIMON Ascendant Consort, Kozakura has an extremely doll-like visage, as defined by her full, [pouty lips](#), dramatically curved eyebrows, and wide, doe-like eyes. Her facial profile is an ovular V-shape, with a small, demurely-shaped nose and a gently-pointed chin. In terms of her Omnihue coloration, Kozakura has [very pale](#) skin and [white](#) hair. The fur around and inside of her ears is also white. However, the fur on her tail is [light cyan](#). Finally, she has [cyan](#) eyes.

Of particular note, Kozakura’s ears sit near the top of her skull and resemble those of a fennec fox, being quite tall and broad. Her tail has a [bushy](#), vulpine character, with both her ears and tail enhancing her ability to communicate in [Tinacen](#).

To the end of making her more familiar to Daur and Laibe, Kozakura is quite short. However, her build is anything but slight, instead being very thick and curvaceous, especially around her lower body. As pertaining to that region, she has ample, expansive hips. Contextualized with her narrow shoulders and moderately-sized *gynoid* breasts, her body is quite severely pear-shaped. Further accentuating her shape, she has *hugely* oversized thighs and buttocks in terms of width and protuberance, with these areas being filled to the brim with *jiggly* Yarvex Foam!

## History

A factory-fresh KAIMON Ascendant Consort, Yōsai Kozakura was manufactured at perhaps the last minute to fill a drone billet on the ICS Bastion of Winter. Designed from the ground up to be familiar to the Daur and Laibe, her design follows their aesthetic, albeit with a few physical customizations that Kozakura decided to add of her own volition. Only time will tell whether or not she decides to go further with customizing herself. Regardless, Kozakura has already shown signs of budding sapience and is expected to perform admirably on the Bastion of Winter!
