

# TVtropes

Star Army is a community based around roleplaying; because RPGs and creative writing revolve around telling stories using our imagination we are inseparable from memes and tropes found in other media such as film and novels. TVtropes.org is a website dedicated to these and many of them can be applied to Star Army. It's an excellent website for our [game masters](#), writers, and media lovers like us SARP geeks and it's stuffed with both familiar and new examples, ideas, and humor; it's easy to spend hours browsing there. They also have an article about us!
