

YE 43

YE 43 was a Yamataian Calendar year that began on Friday, January 1, 2021 and ended on Thursday, March 31, 2022.

IC/OOC Calendar

Star Army's community voted to extend the OOC length of an in-character year to 1.5 IRL years and sync the OOC and IC years by months, where the in-universe month is advanced by 1 for every 2 OOC months. However after review this was reversed¹⁾, resulting the last 3 months of YE 43 being only a month of OOC time.
