Species & Gender	Nepleslian Female
Organization:	origin
Occupation:	Physician's assistant
Rank:	Jr Ship's Sergeant
Current Placement:	oif_karakoram

Character Description

Hebidi is a very tall, and thin woman, with tightly-curled black hair that is kept cut fairly close to her head. She carries herself with great dignity, and usually wears medium-sized earrings, though the design will vary day by day. Her skin is a dark chocolate brown and her eyes are also dark brown, with a broad nose and full lips. She has a deep, womanly voice with an accent hailing from a small island state, and often varies her sentence structure when speaking. She was born in YE 08.

History & Relationships

Hebidi spent most of her time in Origin on Dawn station, the Karakoram being her first shipboard position. She is good friends with tori_hampton_glennis, having joined Origin at the same time and met during introduction courses.
