History

Doctor 99 was born 10日 4月 25 in [a](#). Born on an unknown small snow planet. Filled with nothing but caves and wasteland with the wildlife being nothing but wolf looking and bear looking creatures similar to Earth but much bigger in size and shape, mutated looking. He was born by a renegade scientist/doctor that abandoned the Star Army in order to conduct his own research. When he was founded, he died out during a shoot out and releasing his creation afterwards. 99 was able to get rid of the Star army soldiers that were there and continuing the Doctors research. He currently is roaming outer space just wanting to see where he could truly belong in so that he could start his research.
