History

Family (or Creators)

Father: Peter Ameli (d) Mother: Rachel Ameli Brother Michael Ameli

Pre-RP

A simple woman, Natale has always worked with her family in the drugstore and apothecary that her parents owned, even when her father died and she took over his share of the work as well. Slowly, she began to take over more of the business, and eventually claimed it as her own. While her mother and brother helped out in the store, they ceased to really care about it. Perhaps because of that, she became more passionate about what she was doing, growing convictions and confidence. As the Misshu threat became more pronounced, she decided it was time to move her business again, this time far out of harm's way. She boarded the YSS Freedom, making her way to Skadi, in the South Gate Region, in order to finally set up shop again, this time for good.
