History

Family (or Creators)

Father: Uriel Castiel (Deceased) Mother: Cassiel Castiel (missing)

Pre-RP

Raphael's family were well known Patricians. His mother was a high ranking official and his father was a

high ranking military officer. The Castiel family were a well known military family. His ancestors were all either officials in politics or military leaders. During the Third Elysian War, his father was one of the men in charge when the Yamatai invaded The Heavens. He was slain during the battle fighting his all to save his loved ones. They made it out and to New Elysia, but at a cost. His family was disgraced. Their name was spoken with disdain and was remembered for the fall of The Heavens. Raphael's family was ostracized. His mother was stripped of her rank. She soon became very distant. When Raphael turned 17, she left without a trace.

After the disappearance of his mother, Raphael decided to leave the Elysians who disgraced his hero of a father and drove his mother away in YE 30. He moved to Nepleslia and joined the NSMC to follow in his father's footsteps. He excelled in his training and soon became the top in his class. After basic he then moved on and received sniper training. He was a very skilled marksman. Though he was never seen as an equal to the other marines.

He was a marine for four years, quickly rising through the ranks to become a sergeant. After his fourth year he was approached by the NNSO to become an operator. He took the job and trained to be an agent. Two years in he learned info on his mothers last known whereabouts. When he demanded to investigate this claim, his superiors shut him down. He choose to leave them and become a freelancer to attempt to find his mother. He spent a year doing jobs to learn any info on Cassiel. He finally was contracted by the Black Vipers. He took the job hoping to use the pirate's connections to find his mother.

Skills

Communication

Raphael is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, ships, ground vehicles, power armor, and shuttles in both combat and non-combat conditions. Raphael is fluent in Nepleslian. He can speak and write it correctly and efficiently and can write reports, fill forms, issue orders under fire, etc. He is skilled in field communications and is proficient in all rudimentary forms of communication (hand signals, flashing lights, etc).

Fighting

Raphael was trained in the Marines how to fight dirty. He learned hand to hand combat, utilizing many forms of street fighting. He was taught to fight to win, using any means necessary. He was also instructed on how to fight with most weapons. Raphael is proficient with most weapons, though he prefers sniper rifles. He was also trained to be a marine sniper after basic training. He learned how to set up effective firing positions and infiltrate an area to set up a good position.

Survival

In basic training, Raphael was trained how to survive off the land. How to locate edible and medicinal

plants, how to trap animals, start fires, and navigate with a map and compass. He is able to survive on his own for many days when he is on long solo missions.

Rogue

Raphael has been on the run for a full year now. He has learned the ways of the street. He is able to con people out of their things, is a smooth talker, and is able to call people on their bullshit. He is skilled at losing people in cities very easily, and knows where good places to lay low. He is able to talk himself out of most situations.

Technology Operation

Raphael has always been skilled at using computers. This knack for computers has been further improved on with his Sniper training. He was taught how to identify vital information and send the info up the chain of command. This skill has comes in handy when Raphael infiltrates a corporation and steals info from their servers. He is able to break through an enemies fire wall and take the data he needs. He can break into an area and shut off the defenses without anyone noticing.

Strategy

Raphael was taught how to read the tide of battle. He is able to effectively command others to complete objectives. He is able to create battle plans based on limited data on hand and effectively enact said plans. He was also taught how to follow orders and be a good soldier. He is able to follow commands and relay those commands in the heat of battle

Leadership

Raphael was taught from an early age that he was part of an amazing blood line. He was taught by his mother how to lead by example. Not to just simply bark orders from the back, but to practice what he preaches. The man is known known for leading his fellow soldiers into battle by showing no fear, and taking point. Though many of them refused to accept an Elysian, they did respect him.
