acquire information or items which would otherwise be difficult to come by.

History

Family

Aunt: Bahiyya Farouk Uncle: Mahir Farouk Cousin: Mu'tasim Farouk

Pre-RP

Davena is a member of the Farouk caravan. She never knew her parents, as they had been killed by bandits when she was an infant. While part of the caravan, none of the other members were capable of taking care of her as a young child, and so her early years were spent in the Monastery. As she matured, she began to visit the caravan regularly, most often staying with her aunt and uncle, whom had a somewhat older son named Mu'tasim. Davena looked up to her cousin, and saw him as a role model, even though their interactions were infrequent and rarely lasted more than a few days at a time.

As she grew, Davena heard that her cousin had joined the Temple guard, and made that her goal as well, entering into training not long after he had despite being younger. While in training, Davena learned to be her own person, no longer chasing at the hem of her cousin's cloak, and soon showed herself a fast learner, capable warrior, and devout holder of the dreamer Vigil.

She would go on to prove herself in the war of reclamation as a Haidan VANDR pilot and temple guard, though she is still far from reaching her ultimate goals.
