Physical Characteristics

- Height: 5'11 Feet / 1.557 Meters
- Mass: 152 lbs / 68.94 kg
- Measurements:

Build and Skin Color: Tseng possesses a build well suited for a 'Middleweight' boxer, with well-defined yet compact musculature. His skin is a pale brown-white (#faebd7).

Eyes and Facial Features: By heritage, Tseng's eyes are dark brown, however, they also include a copper-hued light brown flecking which is artificial and is present due to cybernetic augmentation of his eyes through ocular implantation. His facial features are well defined, with a masculine jaw and chin structure and pronounced cheekbones. Tseng's eyebrows are on the 'full' side of growth, yet well groomed, in conjunction with a van dyke style beard.

Ears: Human type ears, distinctively normal, aside from the presence of two black stud earrings in each ear lobe.

Hair Color and Style: His hair color is black, with a well-managed length, slicked back. Occasionally may allow for bangs to hang free, depending on personal preference.

Distinguishing Features: Tseng's most distinguishing feature is his smile, which holds a strong emphasis on pristine straight and white teeth, yet, with a distinctive presentation which adds emphasis to questionable intent even behind a sincere smile.

Beyond facial distinction, Tseng possesses a number of scars present on his abdomen, chest, back, arms, and legs consistent with slashing and stabbing wounds. Scars from surgical procedures are also present upon his torso, arms, and legs, consistent with those required for skeletal and muscular augmentation.

Notably, amongst his scars, a number of abrasion scars are also present in locations consistent with Nepleslian gang tattoos.
