# History

## Pre-RP

Being raised in a primarily segregated laibe community, Bu'lla Mata'ri was easily indoctrinated into the belief that his own species was the superior Neshaten. However, in a terrorist strike against his mixed kindergarten involving his kid brother taught him that the way of violence was wrong and destructive and gave him his own reason to despise the laibe superiority terrorist organization responsible. Bu'lla came to understand that in order to prove their right to rule the kingdom, the laibe must do so through superior culture and form, not barbarism.

Since he was child he has devoted himself to demonstrating how superior the laibe form is to the other races in the kingdom, advancing himself in sports and athletics. His loyalties lie with neither the Queen nor the extremists.
