Physical Characteristics

- Height: 5'
- Mass: 115 lbs
- Measurements:

Build and Skin Color: Average build, black fur with dark red tail. Tail-tip is a slightly lighter red (but not by much) His fur is more silky than coarse, more sleek than rugged.

Eyes and Facial Features: Yellow eyes, mundane features (doesn't stand out very much)

Ears: Black to match his fur, but just as average as the rest of him.

Distinguishing Features: None to speak of. Tends to always have gardening gloves hanging from his belt, but otherwise pretty, boringly average.

Psychological Characteristics

Personality: Sylik is a lethargic person. As such, his attitude to things that many people deem serious is

pretty apathetic. Especially when somebody begins touting such things as the “laibe>daur superiority” he tends to shut them out. He doesn't like exerting himself in most ways, and comes off as lazy most of the time. [It's not that he's lazy. He just doesn't care.](#)

- **Likes:** Gardening, foods with delicate flavour
- **Dislikes:** Large bugs (I.E. 2 inches long or more)
- **Goals:** None to speak of
