Physical Characteristics

- Height: 4' 2" (127cm)

- Mass: 89lbs (40.37kg)
- Measurements: B

Build and Skin Color: Anas'tasiya has an ectomorph (light) build. She has white fur and hair, a white tail with a purple tip. She is youthful, energetic and is relatively muscular from lifting patients.

Eyes and Facial Features: She has brilliant amethyst (purple) jewel eyes and has a very vernal appearing face.

Hair Color and Style: Her white hair is shoulder length and frames her face. She wears it just straight, occasionally using some decorative hairpins to keep it back and out of her face.

Distinguishing Features: She has a scar on her right knee caused by a clumsy trip over a stump in the woods when she was young.

Psychological Characteristics

Personality: Anas'tasiya is a shy, introverted young lady who tends to listen before speaking and shows compassion for those around her. She is naive, and often has too much faith in what she is told making her easy to manipulate and easily mislead. Even though her vernal nature gets her hurt sometimes she is resilient and determined, rarely feeling sad or let down for any considerable amount of time and can make light of even the dimmest situation. Her shyness tends to be less obvious around kits and those younger than her, and tends to gravitate towards their company.

She is not much of a strategist, tends to be a bit clumsy and is not the best fighter. She however is a nurturer, and is compassionate in her duties as a healer. Under the pressures of a medical situation she conducts herself with grace, but tends to get worried for those she cares about when danger is emanate.

- **Likes:** Kits, puzzles and mysteries, games of any type. She is a voracious eater, loving berries and other juicy fruits. She loves nature, especially forests and camping under the stars.
- **Dislikes:** Egotists, the heartless and those who look out for their own well being over that of others. She tends to avoid meat, eating it only in small quantities and detests anything bitter.
- **Goals:** To open a hospital that specializes in the care of injured kits who serve or served in the [Youth Corps](#).

History

Family (or Creators)

Mother: Na'Tasha Dominika Father: Sabin Dominika Brother: Kost'ya Dominika

Pre-RP

Anas'tasiya was born on [Levia \(Planet\)](#) in a small forest village outside of [Virete'na](#) in 727 ER.

Her family, the Dominika were not very influential and only really known within their village. Her father, Sabin, was a doctor who was employed by the government in the [Division of Health Management](#). He tended to work long hours, leaving her mother Na'tasha alone with her and her brother for long periods of time. Even in his absence, Anas'tasiya idolized her father hoping to be a doctor like him someday.

Anas'tasiya spent her time studying; she was fascinated by biology and how the body functioned - striving to follow in the footsteps of her father. Her studies took her to [Vectes](#) where she lived for a few year completed her medical training and then worked for the [Division of Health Management](#). Not finding the job as rewarding as she hoped, she enlisted in the [Shukara Volunteer Navy](#) in hopes that she could get assigned to one of the new [She'tanora Class Hybrid Exploration Vessels](#) that were being launched to explore deep space.

She found the prospects of venturing off to the frontier, and the comradery of a ship to be a worthwhile venture, however found the training for fighting to be less than enjoyable. Anas'tasiya completed her training and got her wish, being assigned to the [SNV Gam'trosha](#) under the command of [Shipmaster U'Cetrinal Sa'kira Yuna'me](#).

Late YE 34, YE 35

- Anas'tasiya arrived on the [SNV Gam'trosha](#). After a short meeting with [Shipmaster U'Cetrinal Sa'kira Yuna'me](#) she reported to her assigned position in the infirmary.
- Anas'tasiya participated in training under the supervision of [X'Muyeia Euy'ica Sec'retna](#). The training involved the successful extraction of a pin in a simulated patient's chest cavity. Although complications arose after the extraction, Anas'tasiya was able to stabilize the patient and is preparing to replace a collapsed lung in the next stage of the exercise.

Skills

Technology Operation

Anas'tasiya took great interest in learning the basic functions of the computer and other systems on-board the [She'tanora Class Hybrid Exploration Vessel](#). Being the daughter of a knowledgeable physician and having worked for the [Division of Health Management](#) she is very skilled with a wide-range of medical equipment and tools.

Fighting

Anas'tasiya made it through basic combat training with a great deal of difficulty. She tends to be a bit clumsy and finds it incredibly uncomfortable to exert force onto another individual. She can operate basic

weaponry, but considers violence a last resort.

Biology

Fascinated in all areas of the field of biology, Anas'tasiya often finds herself reading medical and other scientific journals during her free time. She is well versed in the anatomy and physiology of the [Shukaren Daur \(Sub-Species\)](#) and [Shukaren Laibe \(Sub-Species\)](#) and has an adequate understanding of the [My'leke \(Species\)](#). She is well equipped for surgeries, diagnostics and most treatments, and is never afraid to seek out the answer to a medical mystery.

Chemistry

Anas'tasiya has an extensive knowledge of organic chemistry, biochemistry and analytical chemistry. Her focus tends to be pharmacology based with attention to the formulation of medicines and nutritional supplements. As a healer she knows her way around most laboratories and [infirmaries](#).

Survival and Military

Most of Anas'tasiya's survival skills came from camping trips she took in the lush forests of [Levia \(Planet\)](#) as a kit. She knows how to quickly secure food, water and shelter and is well versed in the emergency survival protocols of the [Shukara Volunteer Navy](#). Being a healer she can administer first aid and treatment to others in the event of an survival situation.

Entertainment

Having grown up outside of [Virete'na City](#) Anas'tasiya enjoys the theatre and most orchestral productions. She is a blunderous dancer, and is unable to sing herself preferring interactive games and trivia for entertainment. Anas'tasiya is a good storyteller, preferring an audience of kits over adults and often participates in games geared towards younger audiences.
