## History

### Family

Mother: Than'tos Ta'Vas Father: Sact'El Ta'Vas Sister: [Bar'Diel Tar'Vas](#)

### Pre-RP

Zu'Rel was signed into the youth corps at the age of eight. All the while he was in school, he was fighting his way through basic training, always being one of the smallest there. Only the fact that he would study and watch the other recruits gave him and for of advantage. He never once got caught (so he thought) he would take vengeance on any of his fellow students that had done him wrong, in form of a prank or more directly with mild violence. He was especially proud of the time her used a sleeping aid to knock out a student and then glued him to the wall of the commandants office.

Once he graduated basic he signed up for the intelligence branch of the service (It also helped that all the time through school and training, each of his “vengeance operations” were monitored). He continued studying and made himself excel in the training. After he finished the training for the Intelligence branch he was posted at a few minor dry-docks, until he was posted to the ship NSV Gam'trosha.

### Current

Spending only two mission aboard the Gam'trosha his enlistment came up and he took leave of the military. Leaving after his enlistment was up, he left with his sister and started making plans to explore the universe.

## Skills

### Fighting

He received hand-to-hand combat training, followed up with a rigorous training program. Zu'Rel is skilled and experienced in combat both in hi-gravity, Low-gravity, and zero-gravity conditions with and without weapons.

## Knowledge

His training gave him a firm grasp on Neshaten, leading him to be understand the ramifications of his actions on the future. He is also well versed in the Neshaten laws both civilian and military.

## Medical

Zu'Rel knows how to diagnose and treat conditions, apply first aid and emergency care (CPR, etc), and perform field surgery. He knows how to work in and use hospital equipment. He was taught how to preform triage and help stabilize wounded in the field.

## Demolitions

He can identify, manufacture, handle and dispose of explosives. With the proper tools, he can detect and disarm enemy explosives as well. he became quite adapt at the use of demo charges during infiltration training missions.

## Technology Operation

He knows how to hack into software and hardware, and sort through the data to find the information that he would like.

## Communication

Zu'Rel is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. He is fluent in Tinacen and can speak and write both correctly and efficiently and can write reports, fill forms, issue orders under fire, etc.

## Rogue

He can pick basic locks, and is a very adept liar, able to craft alibis and statements, and make them entirely believable - As only he could with his Intelligence training.
