## Character Description

A physically imposing woman to anyone non-Abwehran, Bertina Rosenthal is a toned woman with a fair complexion and bright blue eyes. She appears to be 43 standard years old, yet she is nearly 96 in Standard Years and only 27 in Abwehran Years. She wears her light brown, knee-length hair done up in elaborate styles using pins and combs.

Preferring dress tunics and khakis over everything else, this style has become the standard style of women's formal wear within the Abwehran populace. But during events like parties, the Empress of the Empire will wear simple, yet elegant gowns.

Bertina is known more for being a mediator than anything and has often seemed more tolerant of others.

Some of her subjects believe this to be a bit of a liability due to Abwehr's standing in the known galaxy.

## History and Relationship Notes

Born to the former Empress and Emperor of the Abwehran Star Empire, Bertina was raised in the lime light of public and journalistic events. She was trained from birth to take her mother's place as Empress, attending the Imperial University for Political Science and Law.
