

Troy Dongle

Troy Dongle is an [NPC](#) controlled by [Hyralt](#).

Troy Dongle	
	
Species & Gender	Nepleslian
Organization:	Nepleslian News Network
Rank:	Executive Vice-President, Talent & Content
Current Placement:	Funky City

Character Description

A balding man with pale skin of medium height who wears cheap suits. His quiet thoughtfulness and seemingly infinite patience serves him well when handling the talented faces of [Nepleslian News Network](#). Despite this, he's still a red-blooded [Nepleslian](#) and wouldn't hesitate to blow someone's head off if they were trying to steal from him. Troy has gray eyes and brown hair and cybernetic internal organs.

History & Relationships

Attended Nepleslia State University's journalism program. Served a tour of duty in the [Star Military of the Democratic Imperium of Nepleslia](#) where he excelled in the role of drill sergeant. Unable to find a entry-level job in journalism, he began teaching kindergarten in [YE 28](#).

Hired as Executive Vice-President, Talent & Content at [Nepleslian News Network](#) in [YE 33](#) primarily for his ability to deal with difficult but talented people. Hired [Twelve Gauge](#) in [YE 41](#) as the new voice of advertisements and in a limited role as a reporter.
