

# Anzai Saya

Anzai Saya is an NPC created by GM Wes. She was given to Andrew in 2021.<sup>1)</sup>

Anzai Saya

Date of Birth	YE 20
Species	Nekovalkyrja, NH-33 (Tennyo)
Gender	Female
Faction	Yamatai Star Empire
Organization	Star Army of Yamatai
Occupation	Star Army Command Staff
Rank	Taisho

## Anzai Saya

**Assignment**

Director of [PEARL](#)

## Character Description

A loyal and very intelligent officer<sup>2)</sup>. In [YE 43](#) after being recovered from a [Soul Savior Pod](#) she switched into the [NH-33 \(Tennyo\)](#) body. She is 140cm tall and weighs 32kg. She has bright pink hair, and dazzling blue eyes and is considered attractive as a [Nekovalkyrja](#). In [YE 45](#) out of nostalgia, Saya restored her look to a more traditional old school [Nekovalkyrja](#) appearance, with blue hair and blue eyes.

She has an [INFJ<sup>3\)</sup>](#) personality type. She is fairly introverted on the surface, often only socializing when she has to or when she feels her voice will make the best contribution. She has a rather ambitious goal of making [PEARL](#) an effective operational part of the [Star Army of Yamatai](#) and works extremely hard in refining its policies and actions.

She tends to be rather emotional and judgemental of others at times, she has a strong inner voice that is rather opinionated about the time which passed between her first death and recovery.

## History & Relationships

Anzai Saya began her career in the Star Army's [First Expeditionary Fleet](#).

In [YE 27](#) she was a [Chujo](#) commanding the Second Division of the [First Fleet](#) from [Chiharu no Iori](#) and [YSS Yamato](#) (NF-S1-02). <sup>4)</sup> During this time, she spoke for the First Fleet sometimes<sup>5)</sup>.

In [YE 30](#) (OOC: April [2008](#)), Anzai Saya was promoted to [Taisho](#) and given command of the [Third Fleet<sup>6\)</sup>](#). During the [Second Mishhuvurthyar War](#) her fleet was destroyed.

In [YE 43](#), [Second Chance Salvage Corporation](#) happened to find a [Soul Savior Pod](#) with a copy of her mental backup while collecting battle salvage in space. It was provided to [Ketsurui-Motoyoshi Katsuko<sup>7\)</sup>](#), who in turn gave it to the [Director Of Star Army Personnel](#), [Hanako<sup>8\)</sup>](#). With it the Star Army was able to bring her back to life.

Later that same year, the [Taisho](#) requested a Task Force<sup>9)</sup> be formed to assist [PEARL](#) with the recovery of lost soldiers and their [Soul Transfer](#) backups. [Taisho Ketsurui Yui](#) accepted her request and [Task Force 1](#) was formed.

In [YE 44.9](#), Saya opened a new investigation in hopes to locate the [YSS Yuurei](#), a ship that had gone missing in the [Bufarks](#) in [YE 30](#). In the process she opened a cooperative dialog with [Star Army Intelligence's Taisho Nakaide Shida<sup>10\)</sup>](#).
