Psychological Characteristics

Personality: Arnold is certainly a nice person, although due to his rather sheltered upbringing, he's rather boring. He's also known to be "a total dick", according to some of his Nepleslian drinking buddies, when he has a fair amount of alcohol in him.

History

Pre-RP

Arnold was born on Nepleslia to a reasonably wealthy Air Biking promoter and his very ditzy wife on a warm summer day. He led a sheltered, and quite boring childhood for several years until PNUGen's plague hit. His parents quickly swapped their Nepleslian bodies for Geshrin ones, and then moved from Nepleslian homeworld to Geshrinthall, which was quickly renamed Yamatai.

Arnold's parents were avid Ketsurui supporters, and his father went to work for KFY. His mother stayed at home and squandered vast sums of money of useless whims. When he was finally old enough to leave home, Arnold did so gladly, with a full education in government and a number of humanistic fields under his belt. He worked in the Yamataian government for a while, and found the work interesting. He was transfered to Taiie and then Jiyuu with the 5th XF, working in various bureaucratic positions before the UOC became independent. By the time they had, he was in a mid-level government position, and decided to run for office as a member for the Assembly.
