Physical Characteristics

Description: A small framed body with slender arms and fingers, largish hips and skin like a light-colored peach. **Hair Color and Style:** Her hair is short with a pinkish-red coloring, that barely reaches her shoulders. **Distinguishing Features:** She bears the standard Ketsurui Zaibatsu manufacturer's tattoo and the entirety of hair on her body matches in color to that on her head, which is confined to the backsides of her ears, though she does have some small tufts of white hair coming out from the insides.

Psychological Characteristics

Personality: Very outgoing and curious of the world around her, Emi is the type of person who enjoys life for the sheer purpose of simply experiencing life. She has no qualms over her active attitude in perusing these experiences and the fact that she's a manufactured weapon of war and accepts the fact that she won't likely survive to see a time of peace doesn't seem to bother her at all. **Likes:** **Dislikes:** **Goals:** To be a sterling example of a nekovalkyrja and serve her nation and it's Empress as best she can.

History

Family: Any other nekos produced by [Ketsurui Zaibatsu](#) with the last name Hasagawa, according to official records.
