Physical Description

- Height: 5'5"
- Mass: 100 lbs
- Measurements: 32B 30 34

Hazelnut is slim and slender with a lithe, athletic build and tanned olive skin. She has a narrow heart-shaped face with hazel green almond-shaped eyes, and usually sports some form of smile. Her short, triangular ears can be rather perky and are covered in a very short layer of soft fur. She typically sports short, Bob-cut hair which is a swirled mix of caramels, dark tans, and light browns (Like a [Dilute Calico](#))

Personality

Hazelnut is what could be considered an extroverted introvert. She is extremely sociable, gets along well with others, and tends to interact with those around her more often than not, often seen as extremely bubbly and talkative. Despite that, Hazelnut truly prefers to be by herself involved in quiet activities such as reading books, or making small handicrafts. When given a task, however, she would prefer more than one and is great at multitasking.

History

Hazelnut was born 10日 4月 [YE 35](#). Created as part of a large batch of [Nekovalkyrja](#) to replenish and bolster the [Fifth Fleet's](#) ranks at the end of the [Second Mishhuvurthyar War](#), Hazelnut was initially trained as a starship [Communications specialist](#). Throughout the intervening years, including the [Kuvexian War](#), she kept her post. After watching the Fifth SF's forces postured defensively for the entire war and not

seeing as much action, Hazelnut almost felt left out. Seeking new learning and opportunities, Hazelnut attempted to get into a new career field, training as a fighter pilot. Though she was unable to score higher than a [D Rank](#), she was able to find a position in the cockpit of a fighter; doing her original job in a new position.

Hearing of the [Next Gen Fighter Program](#), and seeing that several models were two-seaters, Hazelnut applied and was selected as one of the first back seat operators for the new [Nagamaki](#).
