Physical Description

- Height: 5'2" (158 cm)
- Mass: 150 lbs. (68 kg)
- Measurements: 34E-26-45 (87-66-114)

Hildr has light olive skin and a curvy, toned body. She has just-visible muscles under her soft skin. Her bust is large, narrowing to a thin, flat stomach, then flaring out to wide hips. Her thighs are thick and toned, and she has a full, firm rear.

Hildr has a heart-shaped face, with slightly pouty lips and round [amber](#) eyes. She has long [crimson](#) hair that extends to her mid-back, with shorter strands of hair that frame her face. Her ears are cat-like, extending from the sides of her head. A cat-like tail extends from her back above her rear. Both her ears and tail are covered in fur the same color as her hair.

Personality

Hildr can be described as fiery: hot-headed and impulsive and as dangerous as an open flame, though prone to burning out due to overextending herself. Overall, she thinks she's a hot-shot, which gets her into trouble more often than not. Even so, she is eager to prove herself, and is unwavering once she sets her mind to something. She is a bit of a flirt, used to being on the offensive with regards to romance, but is easily flustered if the tables are turned.

In combat, Hildr struggles between maintaining a samurai's honor and decorum, and letting herself be consumed with fiery fury to defeat her enemy.

Hildr loves to cook, and particularly loves making (and eating!) spicy curries, but enjoys most things with slightly spicy or bitter tastes.

History

Hildr Shigefumi was born naturally on 23日 3月 YE 40, at the [Nataria Fleet Depot](#). Ryoko imparted her fiery personality onto the youngling, though she chose not to imprint her basic training onto the child, reasoning that "she must follow her own path."

After reaching adulthood, Hildr followed in her mother's footsteps as a soldier of Yamatai. During basic training, Hildr distinguished herself in CQC, earning a reputation as a ferocious combatant, almost feral at times. Despite her hot-hotheadedness, her determination carried her through her training, and she graduated shortly before the new year.

YSS Kaiyō II - First Duty Rotation

Hildr was transferred to Yamatai and joined the crew of the [YSS Kaiyō II](#), where she served during its campaign into Kuvexian space.

During this time, Hildr made fast friends with the pilot of the Kaiyō, Gravity, which blossomed into a short-lived romance involving the blue neko and her [Separa'Shan](#) partner, Sacre.

Reserve Duty

In early YE 42, Hildr was rotated out of active duty to reserve, and was stationed at the Nataria Fleet Depot. She was among the defense forces at the [Third Battle Of Nataria](#).

In YE 44 Hildr applied to be assigned to the [YSS Azalea II](#), but circumstances kept her in reserve duty.

YSS Kaiyo II - Second Duty Rotation

In late YE 44, Hildr once again joined the crew of the YSS Kaiyō II.

Social Connections

- [Ryoko Shigefumi](#): Hildr's mother and veteran of the [Second Mishhuvurthyar War](#). Hildr's fiery personality is easily attributed to her mother's influence. They have never actually met.
- [Gravity](#) : BFF
- [Sadow Masami](#)

Skills Learned

- [Star Army Common Skills](#): Hildr is skilled in the common skills of a soldier of Yamatai. In particular, she has shown a knack for CQC.
- **Cooking**: Hildr picked up a knack for cooking as a Youngling, and in particular enjoys creating spicy curries of many kinds, almost as much as she enjoys eating them! She likes to experiment with different ingredients and methods when she can, as well. While curry may be her specialty, she is a great general cook as well, and is familiar with making most of the standard meals of the Star Army.

Inventory & Finance

Hildr Shigefumi has the following items:

- [Standard Issue Equipment](#)
- Several physical books gifted by [Taiyou Hoshi](#), some of which had wrapping of white paper around the covers. Amongst them are the titles “Legend of Tsukihime and Sol” and “海千山千” by Teien

Tōtoi, the cover of the latter depicting two dark-haired nekos embracing and which also contains a short handwritten note: “Please enjoy this. It came from my heart. My mind was not involved, sadly. -T”.
