

Ketsurui Sharie

The first naturally-born daughter (and third daughter, after [Ketsurui Midori](#) and [Ketsurui-Chinomai Minori](#)) of [Ketsurui Yui](#), Sharie was an [NH-29](#) (originally [NH-17 Nekovalkyrja](#)) who commanded the [Star Army of Yamatai](#) Sixth and later the Second Fleet. She had one youngling, [Ketsurui Sora](#), in [YE 29](#) several months before her death during the war with the [Mishhuvurthyar](#).

Sharie's name was a variation on "Charlie" - a reference to her being Yui's third. As a youngling, she assisted Yui in her missions in [Ayenee](#). She shared the same physical appearance as her mother.

The [Sharie-class Battleship](#) is named after her.

She was buried in the [Nataria Cemetery](#).
