## Physical Description

- **Height:** 4'6" (Barefoot), 4'9" (In [Ke-M2-4 Series "Mindy" Armor](#))
- **Mass:** 72 Lbs.
- Measurements: 24B-16-30

Possessing an extremely short and slender form, Kaiyō Kiana is petite even by the standards of the almost universally diminutive [Nekovalkyrja](#). Kiana's willowy pear-shaped body profile is defined primarily by her acutely thin 'ant-waist', lending her hips a strikingly flared shape which makes them appear far wider than they actually are. Her frame is supported by a pair of long and svelte legs, featuring small callipygian buttocks and lightly-toned thighs. Complementing her narrow shoulders, her modest bosom accentuates her starkly defined collarbone.

Kiana is gifted with a delicate visage, featuring a V-shaped facial profile, a demurely pointed chin, plump lips, [cyan](#) eyes, and [creamy pale](#) skin. Her hair, which she typically [wears down and held in place with a black headband](#) over the top of her forehead, has a [white to violet red gradient](#) from roots to tips. In addition, the [violet red](#) color that she projects over her lips matches the color on the tips of her hair. Finally, her features are framed by a pair of [high-arched dark purple](#) eyebrows.

Her ears have a pointed, [elf-like](#) shape.

## Personality

Although her youth comes a touch of naïvety and an extreme lack of wisdom, Kaiyō Kiana is generally a kind and unpretentious individual. However, she lacks much of the intellectual curiosity and logical-mathematical intelligence of her [Nekovalkyrja](#) peers. Unfortunately, this has lent her some ditzzy tendencies since many things take her more time to fully understand. Nevertheless, she is a highly-motivated and driven individual, possessing many of the perfectionist habits common in young [Nekovalkyrja](#). In addition, she maintains a deep sense of somatic awareness which she utilizes to make her movements surgically precise, especially in combat scenarios.

## Goals

- To become an [AAA](#) Power Armor Pilot

## History

Created by the [MEGAMI](#) of the [Kaiyō](#) in [YE 42](#), Kaiyō Kiana is a young [Nekovalkyrja](#) Sprite that was born in the midst of the [Kuvexian War](#). Although the purpose of her creation is largely a mystery, upon her emergence from one of the ship's [Hemosynthetic Reconstruction Tube](#), Kiana was immediately given a role among the crew.
