## Physical Description

With her type 33A body, Kikumoto Sora is quite tall and muscular, for a Nekovalkyrja or otherwise. She has short, ash-gray hair and blue-gray eyes.

## Personality

Sora believes that a true warrior hones their body and their mind. She promotes intellectual curiosity and a warrior scholar ethos among her staff and her soldiers. This intellectual leaning doesn't stop her from being rather coarse and brash in her speech.

Ideologically, she believes in the potential of all citizens of Yamatai and often butts heads with Nekovalkyrja supremacist elements in the military. Beyond that, she tries to stay out of politics and instead focuses on protecting her nation from threats.

## History

Like many Nekovalkyrja Kikumoto Sora was mass cloned on [Nataria](#) where she was immediately set apart to attend officer training at [Star Army Academy](#). She graduated in time to join the newly formed [Star Army Rikugun](#) where she rose through the ranks. As part of the [Rikugun Reforms and Base Realignment YE 45](#) by [Mizumitsu Benji](#), she was placed in command of the [1st Expeditionary Area Army](#) and immediately set about turning it into a high readiness rapid deployment force.
