## Psychological Characteristics

**Personality:** Konoka is a bit like a middle schooler. She's a tad immature, and a bit naive. She's moody, vivacious, romantic, and flirty. She's moody in the fact that she can be giddy, full of energy, animated, then be sulky and whiny. She's still calm in all her moods, but her moods vary quite a bit. She loves to help others, and cares deeply about everyone she meets, right from the start. She'll help everyone out before even considering herself. She's very selfless. She's sweet as sugar, nice to everyone, very kind, a good listener, always doing extra things to show she cares. She's very loyal. She's very much a girly-girl. She loves to have fun, laugh, be silly. She'd never take life too seriously. She's a bit lazy. She's a daydreamer, and a bit of a spazz. She's a spazz in that she has a very short attention span, she gets in a daze, and she's prone to trip. She's also a tad forgetful. She's spazzy, but calm. She's very animated. She's always very calm. Very zen, very peaceful. She's calm so others can afford to be hysterical. Though young-seeming, she's also very maternal. She's an emotional, caring person. She's only emotional in actions, showing great care and concern for everyone. She's never hysterical or anything, it's just her feelings run very deep. She expresses this through kindness and lectures on being reckless. She's very much an optimist. Basically, she's a caring, fun, daydreamy, good-friend sweetie-pie. Now, she will kill. It's part of her job. If it's necessary, and it will help others in the long run, and the victim would have hurt Yamatai, she'll kill them. However, she hates unnecessary violence that doesn't benefit anyone or that harms the innocent. Also, she thinks any enemy involved in an enemy organization basically expects to die. Sometimes, she's even a little violent without realizing.

**Likes:** Pink, cute things, bows and ribbons and frills, sweets, helping others, taking care of people, dessert, happiness, having fun, karaoke, humming, cooking, dressing up, the Star Army of Yamatai, friends, love, flowers, males, parties, her uniform, peace, good health **Dislikes:** Sadness, black, unnecessary violence, fighting amongst friends, crowds, germs, small spaces, sulking, crying, not being able to help, dying, taking life too seriously, yucky vegetables, breaking rules, being mean, hate, ugliness, tomboyish clothes, boredom, sickness (when she can't help get rid of it), enemies of the Star Army of Yamatai, people who don't care if others are hurt as long as they get what they want, chaos in her environment **Goals:** Care for the sick, help others, make a difference through the Star Army of Yamatai
