## Masami in Roleplay

Masami is a [player character](#) played by [Aendri](#).

## Physical Characteristics

Height: 5' 4" / 162.56 cm Mass: 115 lbs / 52.16 kg Measurements: 35C-21-36 **Build and Skin Color:** Masami has a wiry, thin build, with well defined musculature and a decent amount of curvature, despite her moderate lack of body fat. She has pale Caucasian skin, with only the lightest of tans.

**Eyes and Facial Features:** Masami has a small, delicate face, with prominent bone structure, and large blue eyes.

**Hair Color and Style:** She tends to keep her hair short, so it's not in her way, but if it grows out, she usually keeps it tied back. Normally, it's about 6 inches long, and a deep, shiny black.

**Distinguishing Features:** Her chest is slightly out of balance with the rest of her slim figure, being a bit fuller than most women with her build.

## Psychological Characteristics

**Personality:** Masami is naturally a quiet, friendly girl, the kind of person who is always supportive, even if it's only supportive in the sense she's trying to help by correcting you. She can be a bit more assertive than normal when she's helping people out, especially if she feels that they are in the right. She's a bit hedonistic, and likes doing things that feel good or are fun, but doesn't take it to extremes, and puts her duty as a Samurai ahead of everything personal.

This devotion to duty has always preempted any kind of sexual activity, partially because she didn't want to chance any conflict in her priorities, and partially because the intense training of the Samurai preempted anything along those lines.

**Likes:** Friends, meditation, music, flowers. **Dislikes:** Spiders (intensely), people who can't admit they're wrong. **Goals:** She honestly doesn't have any particular goals in mind.

## History

### Family (or Creators)

[Ketsurui Clan](#)

### Pre-RP

Masami has very little history to set her apart at this point in her life. She finished her journeyman year as a samurai only days before being assigned to [Ketsurui Rikou](#) as her personal samurai.

# Skill Areas

## Communications

A Ketsurui Samurai is familiar with radio operation and procedures and can make transmissions to and receive transmissions from other characters through telepathy, starships, and power armor, under nearly any conditions. Masami is completely fluent in Yamataian and Trade, and the calligraphy and writing of both.

## Fighting

All Ketsurui Samurai are masters of melee combat. Masami is skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. Weapons she is an expert in include pistols, swords, spears, staves, knives, and power armor. Ketsurui Samurai are also trained with grenades, rifles, machine-guns, and a variety of randomized exotic weaponry. Masami's training included some of the more defensive exotic weapon styles, such as paired sai's and tonfa.

## Information Technology

Masami is capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships. She is proficient in entering and/or searching for information.

## Knowledge

All Ketsurui Samurai are familiar with the laws of the Yamatai Star Empire, and Masami also spent a fair amount of time looking into the history and interactions of the Ketsurui family as a whole.

## Mathematics

As a Samurai, Masami received basic mathematics training, to including up to algebra and trigonometry.

## Leadership

As a Samurai being trained to escort a newer member of the Ketsurui family, Masami paid special attention to lessons in diplomacy and interpersonal relations, so she could better assist her ward with such problems.

## Physical

Masami is in peak physical condition as a result of her training, and the regimen she keeps up in order to retain the results of her training. She can run a decently fast mile, and has considerable endurance, even for someone with her training. She enjoys swimming, but doesn't take part very often, since it's not a very suitable activity for someone who needs to be ready to defend her mistress.
