Character Description

Nakeysha has a cigar (reddish brown) colored skin tone and thick, shiny black hair that goes mostly straight down to the bottom of her shoulderblades. She has brown eyes, thick hips, and a very large bust. She is 6 feet (1.8288 meters) tall and fit. She speaks fluent Trade (language) and some Yamataigo (邪馬台語) but can only read Yamataigo with the use of translator mindware.

Nakeysha is self-confident, calm, smooth, and flirty. She's a natural problem solver and trouble shooter

and is very inventive. She has an unusually in-depth knowledge of starship systems for a non-technician. She is also a certified pilot and can fly shuttles and starships.

Nakeysha is very athletic. In school Nakeysha was a talented competitive volleyball player and cross-country runner. She enjoys kendo and karate and holds a second-degree black belt. She can be found on the track or in the gym at least once a day. She has a hidden talent for throwing hammers with good aim.

Nakeysha uses pineapple scented shampoos and soaps.

History & Relationships

of an unknown planet where she and others from the Star Army universe and other universes were attacked by bug-like alien creatures and had to band together and take shelter in a cave to survive. The adventure ended abruptly when an [Essai](#) intervened and threw her through a portal, putting her back on planet Yamatai.

In [YE 41](#), Nakeysha was promoted to [Ittô Hei](#) and assigned as the primary secretary for the Central Fleet Depot.

At the start of [YE 42](#), Nakeysha and her girlfriend Ahn Ha-Neul organized an item swap meet for excess salvage¹⁾ and also a buyback for excess weaponry²⁾.

Nakeysha and Ha-Neul attended the [Hanami](#) festival in [Kyoto](#) in [YE 42](#)³⁾.

In [42.3](#), she was promoted to [Jôtô Hei](#) and in [YE 43.4](#), she was promoted to [Nitô Heisho](#)⁴⁾.

Social Connections

Nakeysha became friends and exercise partner with [Ahn Ha-neul](#) while working at the Central Fleet Depot in mid-[YE 40](#). Eventually they developed romantic feelings for each other. When Ha-neul came out about her feelings during Pride Month ☺ in [YE 41](#), things turned steamy and now Nakeysha likes to jokingly call Ha-neul her “barracks wife.”
