Physical Description

Nanook is an imposing figure by nearly any standard. Standing nearly four meters high, and weighing over nine hundred pounds. His frame is heavily muscled, built for explosive bouts of strength and violence. Most of his body is covered by hair four to six inches long. The majority of this hair is white, with the exception of his eyes, ears, limbs, and a strip connecting his arms across his back, which is all colored black. Each of his fingers is a five to eight inch claw, black in color. When on duty, he typically will be found wearing battle dress uniform. While off duty he prefers loose comfortable clothing.

Personality

Nanook has a dry sense of humor and is quick to crack a joke to lighten the mood in tense situations. Quiet and stoic, but fiercely protective of his comrades, his unit, and the cause he fights for.

Nanook can be stubborn and resistant to change, especially when it comes to his beliefs and values. He has a tendency to be overprotective of his comrades, which can sometimes lead him to make rash or impulsive decisions. He also has a hard time asking for help, even when he is overwhelmed or struggling.

History

Nanook Wojtek was born 4日 7月 18 on [Gashmere](#). Born and raised in a small, rural community known for its lush forests and abundant natural resources. As a child, he was always fascinated by the stories of brave soldiers who fought to defend their homes and loved ones from threats both internal and external. When he was old enough, he decided to follow in the footsteps of his heroes and enlist in the military. Nanook began to train in hand to hand combat as a pre-teen, eventually joining a local defense force at the age of 18

After completing basic training and excelling in hand-to-hand combat, he was selected to join a unit known for their expertise in close quarters combat. Over the years, he has proven himself to be a reliable

and dependable member of his unit, and has earned the respect and admiration of his fellow soldiers. He has seen action in numerous conflicts and has faced many challenges, but he remains committed to the cause and to the protection of his people.

Upon reaching the age of 25 in [YE 44](#) Nanook was allowed to seek his own path, as is tradition among Kodians. Nanook elected to become a member of the SAoY as an Infantrybear.
