Physical Description

Narita shares the same general appearance as her fellow [Nekovalkyrja, Type 33](#) kin. She has blue eyes that add up to her cream-colored skin and her bob cut dark brown hair. She is 149 cm and weighs about 48 kg that adds up to her short slender posture and clean skin as her body has no tattoos.

On and off duty Narita uses barely make-up as it is in her opinion on unwanted distraction and shows less discipline when doing her MP work. She wears with pride the [Star Army Duty Uniform, Type 30C](#). However, on formal occasions, she may use a bit more make-up than usually to shine a bit brighter among the people.

Personality

Like most [Nekovalkyrja](#) Narita is a hard worker that loves her job in the Star Army. She is a trusted and loyal person that has great ambitions to serve the Star Army to her best of abilities. If this means that she requires to take the risk, be brave and go beyond her comfort zone she will. In her line of duty, she has her emotions very much under control and rather takes action than staying in the back to observe a situation. Yet in her days off duty life she is quite shy in social interactions and courteous. With her friends, she tends to be flirty and loves to tease them.

Narita motivation for doing her job is to protect the innocent at all costs and support where she is needed. Her greatest desire is to create a masterpiece of a crime novel one day, but she requires to escape the restrictive situation of her work to get that room.

The interest of Narita includes martial arts, movies, crime and horror novels. She dislikes distrusting and liars that do anything to achieve mischief deeds that might abuse the innocent life.
