- Height: 181.0 cm (5'11.3")
- Mass: 115 lbs
- Measurements: 38D-35-30

**Build and Skin Color:** Excessively tall and curvy for a neko with flesh the color of a ripe green apple. Hidden within is a rather stout musculature which lends credibility to her occupation and to those with a keen eye would note such about her person.

Supportive and always with a smile upon her lips she goes about everyday seeking to aid others with anything needed in the hopes of learning something new or acquiring a new companion to test her cooking on. She is a rather simple affair, being 'newborn' in her term, and seeks to simply serve in the hope of elevation and friendship!

# Skills

## Communications

Ni, of course, speaks basic Yamataian and knows basic com operations.

## Fighting

Ni is an exceptional combatant when it comes to closing in on hostiles. She sometimes even prefers to close in and net her 'opponent' in a complex grapple; but is smart enough to know when superior firepower is the goal to winning. She has basic knowledge of swords and axes and is quite the known fencer. She has the knowledge and training to operate and repair both Daisy and Mindy PAs.

## Pilot/Driver

She has gained a rather decent working of the ways of piloting a shuttle and certain land vehicles.

## Demolitions

A basic knowledge in the use of explosives.

## Cooking

Oto has picked up a bit of a cooking habit. Willing to cook almost anything deemed edible or 'kosher' as she likes to say and carries about a small black notebook with her 'can cook' ingredients. Famous for~ Bacon wrapped cheesey fish with shrimp. Still a bit of work to go on as she cooks~
