Thought when it comes to performing his duties, he will be there, doing it until the end or told otherwise.

History

Rawkem was born in [YE 12](#) in a small village up north, [Gashmere](#) as the first born of Miknittuk and Ehnán. He was seen as a bright and gifted person that could learn quite well and quickly in general education. He learned philosophy, ethics, science, and self-defense until the age of fifteen. Then he chooses the path of political philosophy with the primary focus on social science, ethics, law, and history until his twenty-two where he chooses to continue his services to the [Yamatai Star Empire](#) as a member of their [Star Army of Yamatai](#) in [YE 37](#).

A few years later he learned from the devastating news that his people entered a civil war or also known as [Kodian Civil War](#). Rawkem felt the urge to return home but he just earned his place in the [Star Army of Yamatai](#). He was part of the [Tenth Fleet](#) retake operations in the [Yugumo Cluster](#) and got reassigned to the [Second Fleet](#) as a [Star Army Science Officer](#) where he helped with various first and second contact operations.

He was part of the defense line when the [Kuvexian Invasion of YE 41](#) began. When the [Battle Of Glimmergold](#) began, he was temporary assigned to the [YSS Tokyo](#) to assist with system-wide coordination operation and scientific scanning of the enemy forces. After the war, he turned in his resignation with the [Star Army of Yamatai](#) and return home to continue his career with the political storm that was still going on. After months of debates, he applied for senatorship for his people at [Yamatai Star Empire](#).
