Character Description

Blackberry is an [NH-29 sprite](#) created by the [YSS Sakura](#) as a bridge monitor, specializing in sensors and communications systems. Blackberry has long, straight black hair, dark glossy eyes, and “an unusual red-purple skintone similar to waffle batter with crushed berries in it,” or magenta, or “deep cerise.” She has a quiet personality and is not very social. She has been known, however, to provide advice to the ship's

commanding officer from time to time.

Blackberry typically worked the night shift, watching over the bridge while most of the crew is sleeping; seeing her is fairly uncommon. She first appeared in the roleplay in Sakura Mission 8, Part 3 and currently serves on the [YSS Eucharis](#).
