He has American-esque features, able to trace his ancestors from Nepleslia. He has no tattoos and stubble for facial hair. He has a deeper than average voice, but not too deep that he has to speak loudly.

## Personality

Senjo is very sociable and approachable. He is often the first one to introduce himself, forming connections with his crew and finding what they like and dislike. He is a people-pleaser, and works hard to keep his kitchen, person, and bunk clean. He would be considered brave, always willing to take a chance with new flavors and ingredients. His goal is to explore and invent new meals, his motivation is to keep his crew and friends happy with good-tasting and healthy meals that they would want more of. He often shaves and washes his hands, keeping himself very clean and proper.

## History

Senjo Shefu was born in YE 18.

Senjo went to school on Yamatai, working at his family's restaurant when he was old enough. When he graduated school, he enlisted in the Star Army of Yamatai to become a cook and explore new places. His mother was proud, but his father was disappointed, wanting Senjo to inherit the family business. He passed basic training, learning basic skills. He then went to the culinary school, learning Yamatain dishes and other skills there.

His family can have their roots traced to Nepleslia, living there until his grandparents moved to Yamatai before the Nepleslian Independence Movement. His grandparents then died in the [Great Plague of YE 08](#), leaving his father in the care of other family who had survived. He had many friends growing up, often giving them discounts and cooking for them at his family's business. Before he became Minkan like his parents, he was originally Human.
