

# Thrashnog Bloodfist

A [Tröll](#) berserker; the right-hand man to [Pansarkedja Wikkedson](#). Of somewhat smaller stature (8 feet as compared to 11 feet like Wikkedson), he takes an interest in nekos and has been enjoying their “fruits” for years, thanks to their ongoing amazement with his giant...well, you get the picture. He encourages his friends to partake of the [Nekovalkyrja](#) wealth of sexual appetite.

| Character Data               |                                |
|------------------------------|--------------------------------|
