Personality

Yuka is a disciplined, stoic, earnest, warrior in combat and a carefree, easygoing chatterbox outside it. She is quick to make friends or at least try to and isn't easily dismayed by negative first impressions or encounters. She has a competitive spirit but is also content to simply improve herself without the need to outdo others. She is patient and understands the importance of taking things at one's own pace. Little can offend her and she wishes more people were the same. As a result she can get along with just about anyone regardless of how much they have in common or even if someone is in many ways her opposite. She enjoys tracking the relationships of others and sticking her nose where it doesn't belong.

* **Likes:** Molding, training, leading, teasing and jokingly and harmlessly bullying her juniors, physical competitions, her Neko body, being in control, combat, martial arts, grappling, cute things of all kinds, being looked up to, sweets, gossip, impressionable minds, dainty wallflowers, making a scene, black humor, pushing boundaries, silly banter, rendering people speechless for better or worse, virtual reality, games, music, boneless meat, meals that can be eaten quickly and cleanly, charging headfirst into action

* **Dislikes:** People who can't take a joke or make fun of themselves, the holier than thou, pseudo intellectuals

* **Goals:** Make friends and competent warriors out of her subordinates while having a good time

History

Star Army of Yamatai

Pre-RP

Yuka performed well during her initial [training](#) and the subsequent three months of specialized space infantry training she received. She excelled in hand to hand combat and her good sportsmanship and

tenacity resulted in making several friends. She received her training at the [Black Sands Test Range](#). Throughout her career she performed her duties admirably while always finding ways to make her own fun during downtime to reward herself for a job well done. She continued to train in martial arts and routinely entered into and created her own competitions and won some admirers. Yuka earned a reputation for being a fearsome opponent not only for her skill but the enthusiasm and pleasure she showed in seizing, slamming and submitting her opponents. She is known for being relentless and taking an unorthodox approach at a whim. That same relentlessness was time and time again manifested in her social life as she pried her way into the hearts of her companions one way or another and made many at least grudgingly respect her even though she enjoyed fooling around and poking fun at people.

During-RP

She has developed keen senses when it comes to noticing when someone may be lying or attempting to conceal insecurity or stress.

Rogue

Yuka is adept at feigning and hiding emotions as well mimicking the mannerisms of others. She is particularly good at saying ridiculous things with a straight face and sincere tone. She has a knack for and delights in brow beating and bluffing.
