Psychological Characteristics

Personality: Yngvildr tries to be friendly and outgoing, but most of the persons she has met in her short life have considered here more or less annoying. When faced with this critique, she usually just crumbles or goes away silently, she is to nice to confront such problems. When she notices others fighting she usually tries to calm them down, acting as a diplomat, too.

This general “Diplomacyness” of her has also come down in her fighting style: She doesn’t brutally kill her enemies, but rather tries to take them down with one deadly shot. In CQC, she will usually incapacitate enemies and capture them.

- **Likes:** Harmony, Marching Music, Military strategy (Mostly to compensate for her dislike of actual fighting)
- **Dislikes:** Brutalities, “Assholes”
- **Goals:** Advancing in rank, preferably into an officer’s position
