Physical Description

Ziara is a Nekovalkyrja that uses the NH-33 model. She has long, light blue hair that is tied up in a wide ponytail that comes down to the small of her back, along with bangs that come down the side of her head in front of her shoulders, framing her beautiful face nicely. Her body is of a pale peach colour, with her 3 main measurements being 38-22-37, with her bra size being 38HH due to her vastly generous bust. She also has a light blue tail and light blue hair on her ears. She wears a clean and crisp Type 35 Duty Uniform with a pleated skirt and heeled boots.

Personality

Ziara is a slightly stoic character that is neither easily angered, easily upset, or easily enlightened. Because of this, she finds it hard to make friends, thus meaning that she prefers to be alone most, if not all, of the time. Her slightly stoic nature means that nothing will really upset her, unless it something

extreme happens such as death of her friends. This is something is not able to cope with as she holds any friends that she has dear to her spark, so to see them go offline would truly break her. However, her slightly stoic nature also means that she very rarely produces more than a smile. This will usually be a problem if she ever tries to boost morale, not that she will go out of her way to do, though as she is not seen as being an overly funny or cheerful person, due to her slightly emotionless personality. This also means she has difficulty making enemies as well, as no one can really do anything to severely tick her off.

The fact that she prefers to support her teammates from afar doesn't bode well in terms of team bonding on the battlefield. This leads onto the fact that she also likes to be left alone, another trait pertaining to the fact that she likes to be out of the way of everyone else and support her team from afar. If someone was to try and disturb her peace, she will try to get them to leave her alone. This is because she feels friends are un-necessary and get in the way of missions and other, more general tasks and distract people from their work, meaning that they will not work to their full potential.

However, this stoic personality that she puts on, hides her true inner-self of an optimistic, cheerful and enthusiastic person. Unfortunately, anyone trying to get a peek at her inner-self would have a hard time ahead of them as it is extremely difficult to break her stoic outer shell.

History

Ziara Wyld was born in YE 37.

Ziara was manufactured by Ketsurui Zaibatsu in YE 37. After leaving the production line, she was sent away for socialization training and testing where she developed the first bits of her personality. During this time, she made a few friends, though not many as she always kept to herself, rarely socialising with others.
