

EM-G15 Series Disinfectant Wipes

Emrys Industries

A Tamahagane Company

The Disinfectant Wipes by [Emrys Industries](#) became available in [YE 33](#).

They come in three different formulas, and the packet is color coded to indicate which type it is.

General Purpose

Details

Manufacturer: [Emrys Industries](#) Nomenclature: EM-G15-3a Type: Sterilizing wipe Class: Personal Gear
Designer: [Tamahagane Corporation R&D](#) **Price:** 1 [KS](#) for pack of 20

Package color: Green, this is your basic alcohol wipe.

Anti-Microbial

Details

Manufacturer: [Emrys Industries](#) Nomenclature: EM-G15-2a Type: Sterilizing wipe Class: Personal Gear
Designer: [Tamahagane Corporation R&D](#) **Price:** 5 [KS](#) pack of 20

Package Blue, this wipe is treated with a different chemical solution to kill a wider range than the GP ones will.

Sterilizing

Details

Manufacturer: [Emrys Industries](#) Nomenclature: EM-G15-3a Type: Sterilizing wipe Class: Personal Gear
Designer: [Tamahagane Corporation R&D](#) **Price:** 10 [KS](#) for 20

Packet color: Red Warning these wipes are not meant for use on skin.

Only one side of these wipes is treated, and the other is a moisture proof material. The solution on these

is designed to dissolve any organic matter it comes in contact with. These wipes are intended to sterilize medical equipment in the field. Contact with skin will cause a chemical burn. One or more of these are included in any [EM-G16 Series Medical Kits](#).
