

Orb Shot

The Orb Shot is a family of Ammunition made by [Galactic Horizon](#) in [YE 40](#), each projectile is spherical and focused around delivering different types of damage.

Bruiser

The Bruiser ammo type is made to do just that, deliver enough damage to knock an opponent on their ass and leave bruises.

Description:	A 1inch in diameter sphere of non-Newtonian fluid held by a flexible yet tough membrane, a 1cm in diameter copper sphere sits in the middle
Damage:	DRv3 Tier 1, Light Anti-personnel
Price for 100:	60ks

Bone breaker

The Bone Breaker ammo type was made to be the Bruiser's bigger sibling, it cracks ribs and breaks bones, making sure the target will stay down and remember why they got put there.

Description:	A 1inch in diameter sphere with an iron core that is encased in copper
Damage:	DRv3 Tier 2, Medium Anti-personnel
Price for 100:	100ks

Heart Stopper

The Heartstopper trumps both the Bruiser and the Heart Breaker, get hit by one of these and changes are you'll be left bleeding or potentially D.O.A depending on where you were hit, the target will go down and likely stay there without medical attention.

Description:	A 1inch in diameter sphere made from staballoy
Damage:	DRv3 Tier 3, Heavy Anti-Personnel
Price for 100:	160ks
