

Geshrinari Expanded Medical Bay

The Expanded Medical Bay supplied by [Geshrinari Shipyards](#) provides a place where a larger number of ship's occupants can receive medical attention.

A [standard ship's door](#) with a [Ge-Y1-E3103 - Intercom System](#) opens into the end of the bay. The room typically has five diagnostic beds, basic diagnostic equipment, and medicine cabinets. A desk with an integrated computer terminal, and a chair against the far wall. There is an isolation room where possibly contagious patients are kept.

It comes with a [Ke-J1-E3301 - ACMU](#) standard.

There is ceiling mounted lighting, as well as [Ge-Y1-E3104 - Automatic Fire Suppression System](#) dispersal nozzles through out the suite. The floor is covered in the standard floor covering for the ship.
