Fitness Centers are optional compartments, most commonly found on larger [Geshrinari Shipyards](#) products. The fitness center contains an assortment of exercise machines: free-weights, weight machines, treadmills, etc. Some are configurable having a portion of the room free, for various activities; such as group calisthenics, practicing katas. The exact type of equipment is dependent upon the species using it and the owner's preferences.

One or more [standard ship's door](#) with a [Ge-Y1-E3103 - Intercom System](#) opens into the room. There is ceiling mounted lighting, as well as [Ge-Y1-E3104 - Automatic Fire Suppression System](#) dispersal nozzles through out the suite. The floor is covered in the standard floor covering for the ship. Larger installations may include a changing room and a [Geshrinari Common Bath](#).
