

Geshrinari Standard Console

[Geshrinari Shipyards](#) standard consoles may have a different physical configuration, they have all the same functionality. Shown below is the latest design first installed on the [Ge-Y2-1a - Hanto-Class Starship](#) in [YE 33](#).

The standard console has a [Ge-Y1-E3103 - Intercom System](#) station that connects to a wireless headset located on the right side. On the left side is a programmable key pad. It has a built in display, and a programmable touch screen for use as a keyboard. Each station comes with an acceleration chair covered in memory foam and has restraint straps.
