

Geshrinari Work Table

The Work Table was developed for the [Ge-E1-1a - Tenba-Class Transporter](#), it came into use in [YE 34](#).

About the Work Table

The work table is a multi-function unit, designed for use when space is limited. It serves as a table for meetings, working, and for dining.

It is equipped with a [Emrys Quik Paks Processor](#) in the middle, it also has a storage unit to store used [Emrys Quik Paks](#) trays. It has a retracting display unit on the back of the unit. There is a keyboard and a [Ge-Y1-E3103 - Intercom System](#) panel. It comes with four padded stools, the stools are stowed when not in use by latch and hook restraints.
