

Murasaki Orbital Shipyards

A MURASAKI KEIRETSU SUBSIDIARY

Murasaki Orbital Shipyards is the starship and space installation development, manufacturing and repair division of the *Murasaki Keiretsu*.

About

Murasaki Orbital Shipyards (**MS**) is a commercial starship and space installation development, manufacturing and repair company based within the **Yamataian** territories. The company headquarters and primary facilities can be found upon **White Harbor Station** in the **Anisa System** System. Murasaki Orbital Shipyards is a company owned by its namesake, the **Murasaki Clan**.

The *Senmu* (Executive Director) of the company is Segawa Seibei.

History

Whilst the **Murasaki Keiretsu** has long held possession of a large number of orbital fabrication facilities within **White Harbor Station**, it was not until **YE 34** that the corporation created a dedicated branch for the development and manufacture of new ship designs that saw full use of these resources – previously the stations fabrication and manufacturing facilities were used solely for the maintainence of space-bound Murasaki assets.
