Mission

The OIF Bull is one of the most recently constructed Mobile Assembly Platforms used by Origin. It is currently assigned to the Ketsurui Military sector, where it was used in the creation of Sunrise Station. It is currently employed as an extra construction platform to aid in the maintenance of the small OriSec force stationed at Sunrise.

History

the OIF Bull is a fairly new ship, built in YE 31 by Origin Industries, and was used briefly to help build dawn station before being reassigned to the KMS.
