Samurai Yumi

Tamahagane has a small division that manufactures (Bows) for those who study Kyūdō, specifically Daikyū for their security force of Samurai. Tamahagane does not sell these bows and their arrows to the general public. They provide them at cost to the [Ketsurui Samurai](#) as well as their own.

- [ta-w3-1a](#)

Power Armor Ranged Weapons

Tamahagane has a team that produces power armor ranged weapons based off traditional ranged weapons. These weapons are sold to the general public, but often times have ammunition exclusive to military clients.
