

Warm and Sweet

Warm and Sweet: Coffee and Treats is a brand of coffeehouses/bakeries created by the [Yamataian Government](#) in [YE 33](#) to serve its citizens and soldiers. It provides employment opportunities and a quality franchise opportunity to boost the economy.

In the [Star Army of Yamatai](#), *Warm and Sweet* was adopted at all major facilities to add a touch of home and civilian life to ships spent months or years away from home due to the [Second Mishhuvurthyar War](#) or other missions. In civilian settings, Warm and Sweet coffeehouses employ civilians. On military bases and starships they are usually manned by dedicated [Star Army Caretakers](#), [Star Army Cooks](#), or robots like the [Service Android, Type 36A "Emma"](#).

Roleplay Opportunities

- Warm and Sweets provides a casual coffeehouse environment for characters to meet up and socialize.
- These coffeehouses can be meetup spots for local artists and businesspeople
- Also a good place to hear rumors, although not all the ones you'd find in shadier venues.
- Chat up the baristas
