

# Ypperlig Café Worker Cooperative

Ypperlig Café Worker Cooperative was founded in YE 43 by [Lars Ando](#).

## About the Ypperlig Café

After serving as a [technician](#) in the [Star Army of Yamatai](#), [Lars Ando](#) decided to put the technical skills to use building and maintaining espresso machines. When one of his clients went bankrupt, he bought their equipment in the ensuing firesale and acquired the lease to their property. Recognizing that he had very little to offer in terms of leadership and management skills, [Lars Ando](#) created the [Ypperlig Café](#) Worker Cooperative to share such responsibilities equally with everyone he hired.
