

Abwehran Imperial Yards

Having been around since AF 49, Abwehran Imperial Yards was started as a government organization to build and create starships necessary for a more organized expansion into the solar system. In AF 93, Abwehran Imperial Yards was bought by a group of investors and has now been producing starships for Imperial Armed Forces as well as custom designs for wealthy individuals and small corporations. They are also the only corporation with Six of its own Orbital Shipyards, two which the lease out to other corporations/organizations.
